Dear C-Span.

You asked that your viewers write.

I love C-Span, it's almost like going back to college, hearing the discussion from various boards of the J.F.K. School at Harvard.

I love the speeches from

[redacted]

the Press Club in Washington
from George Plimpton, Mario
Cuomo etc.

Your program's on "Booknotes"
is a delight!

Long may you wave.

A delighted viewer,
