Yesterday, I wrote you a letter critical of your defense of journalists on the Roundtable when they are criticised by C-SPAN viewers for their liberal bias. Today, I want to thank you for your swift response ~~for~~ a recent viewer's request to have as a guest, John Gizzi of Human Events. He was a wonderful, articulate conservative voice. As a matter of fact, it was refreshing to have both a self-proclaimed conservative as well as a self-proclaimed liberal, a Mr. Mischele (sp?). My complaint is with those very obviously biased journalists who insult our intelligence by pretending to be objective. They are entitled to their liberal/left ideology ~~and~~ ^{but} we'd all have more respect for them if they'd just drop the pretense. Thanks again for the most informative channel on cable that's available on a regular schedule.
