Dear Mr. Lamb:

I Really take offense # at the  
CALL-IN segments on C-SPAN particularly  
the Journalists Roundtable on Monday  
& Friday. While the Journalists  
Represent the full political Spectrum —  
The phone CALLS are about 90%  
Right-wing zombts. I don't think  
this a coincidence. My REASONS  
ARE the following:

- ① You ARE a right wing Republican  
who worked for Nixon & other  
Republicans
- ② The prominence given the "Washington  
Times". The Washington Times is an  
EXTREME Right wing publication with a  
SMALL circulation. However the  
Washington Times get AS much exposure  
AS the Washington Post — a newspaper  
that has 10 times the circulation & a  
huge reputation.
- 3- Once Someone CALLED & WAS

- told he was given a hard time by the  
SCREENER because he said that he  
thought Pres. Clinton was a great  
president + was put on the defensive
3. The PHRASE "Thank god for G-SPAN"  
has become one of the favorite  
PHRASES OF ALL your right-wing  
phone CALLS.

While I enjoy the conversation  
among the JOURNALISTS, the phone  
CALLS ARE JUST AN <sup>outlet</sup> ~~outlet~~ for  
the Right wing RATS who ARE for the  
MOST PART JUST ANTI-Clinton -  
Anti BLACK + Anti Semitic... I  
have heard more RACISM + Anti Semitic  
outbursts than I have heard on any  
PROGRAM including Rush Limbaugh.  
I would suggest that you continue  
the ~~at~~ discussion + eliminate  
the phone CALLS.

Sincerely
