Really disappointed me this week. Seems the balance was WAY OFF.

On the 24 th. you had two really bad excuses for Christians. Elenora Ivory, & James Dunn!

This A.M. Two Pro aborts trying to tell women it's about CHOICE not abortion.. Yea Right!!!

Really proud of Connie. She said there was no balance on the so called Christianpain. Love the honesty. Now if the Pro-aborts would get honest, and admit it was about Abortion not Choice.

They even admit women can't CHOOSE to join theinclub!
