

Brian Sells - O-W R Nov 2014

up at 5 AM to see Christopher
Ruddy. He was there. "No audio"
another time — when? Any
wonder we're called paranoid?
Still calling you no. hoping
Whitewater will resume. Know
the last one was cancelled — (due
to Yosemite closing to tourists!!?) We,
what these mysteries solved —
Yowie terrific, CSPs. Any
chance of BIKIN DANCE ever?
