

Dear Brian:

Enjoy C-Span. Comments: you must have been desperate for a guest to get the heady-eyed, fast-talking weasel, the sanctimonious one from Texas! James Corwell said "He's a quart low". Wrong! He's out of oil, but not out of gas!

Your program wastes time by:

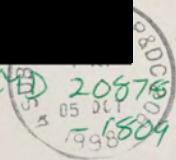

O.W.)

1. asking where a caller's town is (See an atlas). It is not germane.
2. asking a caller "What do you do?" (occupation?). also not germane.

Keep up good work by improving show and show names of hosts on graphics.
