Brian,

Listening to you today when you seem to question about Bill Clinton not serving in the military makes me wonder where some of the media were during the Vietnam War.

Bill Clinton not only did not serve but he protested while American soldiers were fighting & dying in Vietnam. He lied to be relieved from duty after he was drafted.

Look at news pictures of that time & you will see the war protesters cheering for the enemy "Ho Ho Ho Chi Minh". War protesters including Bill & Hillary were burning the American flag. Hillary, the activist was taking part in the Chicago riots where police were stoned, flags were burned

and the enemy was aided
& abetted by these protesters
while some of my relatives were
forced to serve in Vietnam.

Ask Sen McCain, Adm Stockdale
whether or not the actions of
Bill, Hillary, Jane Fonda aka Hanoi
Jane, Tom Hayden, Senlike Wellston
Leiberman etc did not help to
extend their stay as POW & in
the long run cost thousands
of American soldiers lives.

We lost the Vietnam War with
the actions of Bill & Hillary etc.

Look at the peace settlement
that Kissinger was forced into.
The North Vietnamese told Kissinger
where to go & he went.

Just to submit in he recently invited
Jane Fonda to the White House.
