Dear Briam Lamb,

Please have more black Republicans on like Mr. Hoodson. There is one black Republican Representative I never see, and I understand the Democrats sometimes bans him from black caucus meetings. That is unfair, and may be against House rules, even the law. Perhaps you could do a profile interview.

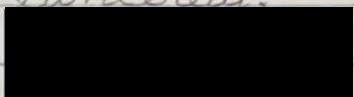

Surely there are Republicans who are ethnic minorities. Linda Chavez was in the Reagan Administration. There is a new Korean House member from Ca. I have seen once.

Most reporters are liberal, but there must be some Republicans.

Is Lynn Martin the only Republican woman who will be on call-in shows?

Your network is the only non partisan network, and we need all the help we can get to keep the Democrats from establishing a socialist government.

Sincerely,

St. Joseph, MO 64507
