Re: your Bias

S.W.)

Your guest Alexander

- 1) Again and Again you Brought up PAT Robertson - What was The Big Deal.  
He is not A GOD AND NOT USUALLY SO important when he Speaks out -
- 2) Then you read Another Article About PAT Robertson. ASKed guest what "Bearing this would have on Republican party."  
Then you cut off The Republican caller who was Not For Clinton -
- 3) Again you read PAT Robertson to viewers  
A Speaker Then gave Analogy of Clinton to Hitler - you Did NOT Respond AND changed Subject NOT ALLOWING Alexander to respond.  
Then when A caller Democrat calld you ASKed Alexander to respond - ASKING "What do you think of her?"  
When Did Robertson get headline - you really Liked what he said - You could tell - AND how could he know results BEFORE Senate votes even?

Then A caller (man) Bashed GOP For Digging

into private lives etc -

You quickly urged Alexander to respond,  
prodding him to TALK - About A Liberal CALL.

They All got A response -

The one side of Clinton did not -

You definitely were slanted.
