Dear Mr. Lomb

Thank you for C-Spon. I love
it and you too.

Last night there was a
debate on health care starting
at 7 P.M. I missed it. I want to
see it, but I can't get through
to a person to ask when it
will be broadcast again. Of
course I have C-Spon on the
morning but I didn't get any in-
formation. I can't be glued to the
T.V. - got my housework etc to do.

Can't there be a number
we can call to find out the

days programming.

Thanks
