Dear Vicki & Brian:

We are still basking in the compliments on your presentation and the events of June 12<sup>th</sup>. You both have a magical way of making people comfortable in your presence. The interviews and social contacts you made were so very well received. Perhaps part of it was you are midwesterners at heart.

Thank you so very much for all you did. If you would like to return to our fair city, you would be so welcome!  
Best regards.
