Re: Call In
8:00 with Connie (9/11/90)

I have the highest regard for all
your programs and the high level
it is conducted on.

To-day however, Steve Taylor very biased
against Israel (his privilege) with
Ms Connie as Moderator (have had
reason to question her fairness or
even candidness in the past) when
Israel was subjected to the usual
bashing with Taylor apparently in
agreement, Ms Connie listed to a
caller who protested the usual lies
out distortations of the 1967 war by
the way (Israel or Jews) day of Atonement.
When they were attacked by Jordan
Egypt & so gained the disputed
lands. This was not only & always
is ignored by Ms Connie to-day she
cut the caller off rudely and Taylor
even if he wanted to ^{answer} looked shocked
when he was not given a chance
to respond. (over please)

I have had occasion to write you
 on another of her programs when
 the program (Ms Connie) was almost
 completely taken over essentially by
 Arab of Muslim sounding persons.
 How do they manage to dominate
 these programs? Including the Red
 Neck, Anti Semites or people who
 deliberately distort the truth I believe
 with ulterior motives. My objection is
 not for Israel to be defended but
 how about the "Truth"?? I have
 heard Brian Lamb & Susan Swain
 correct this but Ms Connie I question?
 Isn't it the obligation of the
 Moderator to correct distortions
 or lies??? To-day for the first
 time I watched her hostility and
 rudeness surface, she need not defend
 or protect Israel but for sure
 misstatements or in my opinion
 malicious and false statements
 should be corrected even if it is
 Israel.
