

Dear Bryan -

9/26-Mon

I have one TV on all the time to
C-SPAN & in SO, watching those "elitists"
Roberts & Koundrakes, the Talking Heads (good
book, by the way) had 'month Paul Rodriguez
for working for a newspaper with an agenda-
like the Post & Times. NY Times doesn't have
one. I heard Mr. Rodriguez on "Equal Time"
& I liked what he said - he doesn't socialize
with the political heavies, makes it easier
to write about them. Steve Roberts's wife works
for CNN now, so they are a politically savvy couple.
I also liked Wesley Prudden on your show. ...
