

came in late, not sure of
interviewer. (Sounded like Connie.)
on Huntington Library 6-27.

Sensational, informative, erudite,
amazing! Seeing the '1623 Sh.
Folio reminded me of my Sh. Prof.
who had returned from HL + extolled
it all during the quarter. — 40 yrs ago!
Connie (or whoever did interview) kept
the pace going in a relaxed way.
A well-focused program. I watch Book
TV more + more. Thanks! Don't write
