Dear Mr. Lamb:

My name is [REDACTED], I am attending [REDACTED]
in Kansas City MO. I am in 11th grade. I come from Mexico and I
have been in the United States one year and 5 months.

I am writing you this letter to say thanks for your donation
to the Close Up program. I was a participant in this program. It
was an exciting trip that taught me more about the United States
government.

Thank you very much again and I hope you have a happy New
Year.

Sincerely yours,
[REDACTED]
