PERSONAL HISTORY

and helped to bring about significant changes in much
of the world's most powerful and influential media.
Her life has been filled with the joys and challenges of
business, politics, and family, and it is a life well lived.
A frank, revealing memoir of her life and times, it is a
memorable record of a remarkable woman.

With a foreword by Walter Isaacson, author of *Steve Jobs*,
and a new introduction by Katharine Graham's son,
John Graham, this edition also includes a foreword
by Katharine's son, David Graham.

“...an excellent—engaging memoir...to be read
from cover to cover.”

—Booklist (starred review)
