Dear Sir or Madam:

I am a student of American law + government, and regularly watch C-SPAN's "America and the Courts" on Saturday night. However, I find the time somewhat inconvenient (for social reasons), and I notice you only re-air the program either late Sat. night or early Sunday morning. At times, I miss the show since I can neither tape it nor watch the re-airing that same night/morning.

May I recommend the program additionally be re-aired on Sunday/Monday afternoons or evenings to allow students/lawyers a chance to watch.

Sincerely,
