

Kathleen Townsend is a poster child for
loudmouthed liberal loonies! on issue after
issue she spouted the liberal left Demo-
crat line of tax, spend, throw money at it,
more and bigger government nonsense! Just be-
cause you're a female, you don't have the
right to lie and hide behind Democrat with.
the Republicans, like Rep Burr (R-GA) ought to chal-
lenge you move on your looney lies and pin your
arrogant ears back! But instead, they are gonna
increase majorities in the House, Senate, Govern-
orships (including Maryland), State legis (fortunes, local
& city governments! then loudmouthed liars as
you will be an ever decreasing minority in the
dustbin of history! then we'll see what the
loudmouths have to say! Meantime, Grow up!
You're on the wrong track! And soon you'll have
to get a real job, as you'll be voted out of office!
