Dear Sir,

about a week ago Warner Cable (Barstow, California) started cutting off the air C-SPAN II at 4 P.M. (P.S.T.) + Prime ticket comes on.

I thought C-SPAN II was supposed to air 24 hours a day.

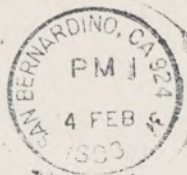

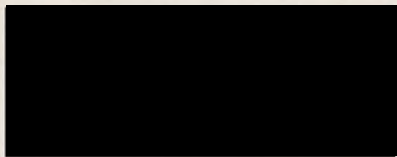

Wednesday, the 3rd, C-SPAN II was airing the U.S. Senate, live, + boom off goes C-SPAN II and on comes Prime ticket sports.

Did Warner Cable of Barstow, Ca., contract with C-SPAN II to end coverage at 4PM (P.S.T.).

C-SPAN II used to be on channel 33, but was switched to channel 18 a week ago + lumped with Prime ticket sports. Please check this out.

Sincerely,

P.S. - Please get C-SPAN II, in Barstow, Calif., back on for 24 hours a day.
