Dear C. Span:

C-Span is "the" but! This letter is by no means a criticism about C-Span.

On Saturday morning, 4-23-'94, I heard Daniel Shor call in and say the most despicable, disparaging remarks about deceased President Nixon. This audacity coming from a news man that was fired from a major network "for lying"!!!

I hope I was not the only person outraged and offended by Shor's remarks.

Thank you for C-Span.
