To whom it may concern,
I watch C-SPAN often,
and enjoy your call-in programs
most of ALL. However, I must
say while watching your
Dec. 2nd. A.M. program with
Thomas Foley & Rep Michaels
hosted by Steve? There
was hardly any time for
phone calls, because Steve
ask so many of each guest,
I thought he was doing a
biography on each one.
At one time there was only
2 phone calls in a 25 min.
time span.

PLEASE ALLOW AS MANY phone
calls as possible, as this is
what most people tune in for.

Thank you.
