

C-SPAN MANAGEMENT:

cc: L. Wright ✓

The airing of Prime Minister's Question Time on C-SPAN I each Sunday evening is both informative and entertaining. Would it be possible to have the final 15-20 minutes of the hour devoted to speeches of significance from the UK appropriate to the week's primary issues.

Keep up the good work & continue this weekly presentation at 7:00 PM (9:00 PM^{EST}) MST each Sunday -
