Cooked Alive? wonder if it
would have been different had

People who are supposed to be intelligent
human beings Act.

I Watched Watergate Also
Iran Contro on TV. Some of the
Very Senators I thought were good
honest People Turned out to be
robbers of the worst kind.

How Nixon has the Gall to
Show His Face is beyond me I
believe had I filled his shoes I do
not want as far away as possible,
but then he had a family who loved
him, he wasn't in this alone, ALL
that was missing was Dillinger
and Bonnie & Clyde — with Donald
Duck & a N I wonder if ^{they} have ever
Come back to earth; Could someone
invent him a space suit going one
way. I thought Hoover was a disgrace
to humanity, but the two above ^{had him} ~~skinned~~

We Are Supposed to be a Two Party Country, wonder where they went we don't even have ONE, ? Why have AN Election who'd bother to vote as there must be One to vote For AND there is NONE.

I Listened to E. Kennedy SpeilON the Souter Normanton And came up with One Fat ONE, ANother ONE HAS ENOUGH GALL For AT LEAST A hundred, I for ONE trust Souter WILL MAKE AN OUT-
STANDING Justice. I ONLY SAW him ON TV, what I SAW I Admired hes Not gifted with the gift of Gab. AND its A KNOWN FACT weve had FAR FAR ENOUGH OF THAT, its Time to put your job where your Mouth is.

And if we CAN Support Murder OF the worst kind INnocent babies why burden the TAXPAYERS with KNOWN Murders - the housing theyr ENjoying, Could Shelter the MANY Homeless in our Country im Not SPEAKING OF the Mentally UNBALANCED they Need help. Tired of Caring For People
 who had been put AWAY so
 Others could rob them of
 their Life SAVINGS, CAN
 ANYONE see the hand Writing
 ON the WALL? AS God Looks
 ON the mess HUMANITY has made
 OF the MANY opportunities He has
 Allowed them to be blessed with
 THAT muddled - WILLFUL waste
 make Woe FULL WANT - its Sad
 theres No Place to defect to.

im seventy six years of Age AND
 its A Sad State of Affairs our Country's
 in through Supporting Fornication
 Adultery AND worst of ALL Murder
 OF the INNOCENT who have done
 No Wrong - when will America
 build its Crematoriums For those
 they No longer Need? Like the
 elderly who worked to help
 build our Country? if those
 in Government CAN NOT do the job
 its time to retire - Let Someone
 ELSE TRY.
