

D. Baer) is one of the 5-24-78
worst

I am sick of the Clinton
apologists you have on
every day - and esp.
the Black Liberals who
don't know what they're
talking about. To put
Bush into a cult is idiotic
us. And the white
liberals never correct a
black. He can lie thru
his teeth & no one dis-
putes him. I listen to
Bush every day to get the
true story. And when I
hear people speak lies
about Bush, I know they
have never listened to
him. There are lots of
professional Liberals who
call in. They are ^{not} regular
people. They are plants.
Morals are very lacking in
Liberals. ^{you can't get} Repub
But not Liberal.
