

9:17am, Mon, 11/24/97. Hi Brian, I couldn't let it alone. I had to write this poem. Would it be rude of me to ask you to forward it to her if you think she would even care?

Anita Hill: much more than a staunch  
supporter, I now claim,  
That in your future, a reversal, your  
past claim to fame,  
Where Senators' behavior, there's a  
word for it, it's 'shame',  
Their candidate, so deemed appropriate  
you would defame,  
But now the score is settled in the  
truth you do declaim,  
Oh Clarence Thomas, ~~how~~ ~~revenge~~, the  
liar you became?
