

C-Span

Dec. 6, 1990

Everything I use to watch on T.V. is down the drain, since I discovered C-Span. My only complaint is that our part of the country does not receive it after six o'clock & this is a shame as the people that work until four or five o'clock in the evening have a very limited chance to hear & see this very important & vital interest in our political lives.

Who do we write to so that we can complain?
Sincerely,
