

8/18/98 I have noted in each election since 1936.

How can a upstanding ^{jerk} moralist like
Sen. Hatch live in Washington D.C. the
town that sounds like Sodom and Gomorrah
U.S.A.

Shame on the stupid American Press
making us the laughing stock of the
World. Especially the belt way Press.

Pat and Bay Buchanan were not elected
to anything, political foul ups getting
even by knocking Clinton who was elected.

Sincerely,
