Dear Close Up Sponsor:

On behalf of the students of Chisholm High School, we would like to express our deepest appreciation to you for enabling us to participate in the Close Up program in Washington D.C. We participated in the program with other students from Minnesota, Washington, Michigan, Montana, Nebraska, and South Carolina.

The activities planned for us were interesting and educational. We took a good close look at the democratic process through question-and-answer discussions, small seminars, and workshops. The program made us more knowledgeable about the government and more comfortable talking about current issues.

We also learned a lot from the many new friends we made from other parts of the United States.

The week was unforgettable, and we know without your interest and support, participation in the program would not have been possible. Many continue to support Close Up so that others will be able to see and learn firsthand how our government operates.

Thank you again for supporting this outstanding program.

Sincerely,
