

3-3-97

Susan and the rest of your gang.
You had 3 pro-Dem.
calls in a row. ~~How~~ ^{How}
fair is that. !!!

Since you put Dem-Rep-
other-calls into effect, you
have pretty much favored the
Democrats. Before that, there
were many more Repub. calls.

Newt Gingrich apologized for his
mistakes but everyone of you
creafied him day after day.

Clinton has ~~never~~ ^{or admitted his mistakes} apologized
and you are all apologists for
him. ^{outside} Of they haven't done wrong,
why are they returning \$3 million
& where are they getting the money.

Dick Morris is a disgrace!
You very convincantly avoid any news-
paper article that is against Clinton.

I am ashamed to admit he's our
Pres. and you should be. This
country is going down the drain with
your help.

^{How dare it turn to}
^{lie to us.} It seems to be ok to be dishonest!
