C. SPAN,

I had decided to not  
write again, But, your

Bias, prejudices, and Bigotry

I am now referring to  
the Airing The O.A.S.  
Meeting on Panama &

Nicaragua. I could only  
see the face of The U.S.

representation. Not once was  
the other representing ~~the~~ face was  
shown, Not only Nicaragua

representative but the focus  
on the Body of The Chairman  
of The O.A.S. was shown by  
the Camera. The Camera  
remained on this white male  
The U.S. Representative, The  
Way The U.S. And C-SPAN  
expresses Bigotry and Biases  
Against not only people of  
Color in our own U.S. But  
All Other Countries that ~~are~~  
Non-White (Colored).

C-SPAN is fully aware  
as other Americans that  
is Panama where a white  
people have had the same  
type Dictator, This white  
Country would not have been  
invaded, ~~the~~ And Countries  
such as Grenada, Belize  
And the Arming of The  
Contra in Nicaragua. The  
U.S. is worse than Russia.  
The U.S. has oppressed The  
Indians, The Japanese, The Black  
And other minorities for centuries  
And now C-SPAN is helping such  
oppression of non-white people.
