Dear C-Span,

I am deeply offended that
on this day ABOVE ALL other days
that C-SPAN would have as a
guest on The Washington Journal
Mr Lowry - Editor of the National
Republic. He may have knowledge
(over)

but no Life Experiences, and ²
he was Wey Bia's. We believe
in Democracy & Freedom of Speech,
but all of us including the
Media have a responsibility
to state facts not gossip & hoax.
Calling our President a Liar
and Sexual Traitor is way out
of Line. An attack on Personal
Matters that no-one has

the facts on. No-one but
no-one will really ever
know for sure, because it
was between 2 people, and
so should it remain.

We have come to a low
point in Politics and in America
when the Media panders

to scandals of private matters,
instead of the Peoples
Business, while the whole
World is watching.

I expect C- & PAX to
be above this. Unfortunately
you have betrayed our
trust. A Korean War Veteran
