

Brian Lamb - **OWW**

You advised a caller that complained about your divided telephone lines to "Not watch C-Span." I took your advice to him for myself most of the time.

The networks, cable and newsprint is controlled by liberals. Talkshows are controlled by conservatives. The only place I had to hear unfiltered opinions was Washington Journal. Now that is gone so ~~is~~ my enthusiasm for C-Span has gone with it.

I do think its a sell out to the liberals. I'm disappointed.
