Dear Brian,

MAR 05 ANS'D

I am a registered, loud
Democrat and I suggest
my fellow Democrats -
who are educated, look
up the word "Union".

Tonights speech is intended
only to inspire. I loved
Grandparents to teach.

I am a grandmother (7)

I plan to do as my
President suggests. You and
your station are doing a well-

sounded job of reporting
the complete story:

These politicians being
seen getting their base
make-up on, sure is a circus.

Please devote some time to
reality of why we believe
and love this country.

Best wishes to you and
Susan Swain, you both do
know how to interview.

My prayers are for President
Bush and to C. Span please
keep some intelligence into this
Boob Tube.

W. W. W.

I held on phone
