Dear Sir.

I am an avid Cspan
viewer, I really believe in Cspan

However I watched your 2 1/2 hrs
of Ross Perot 3 times and
Believe it or not he only spent
about 10 minutes answering
questions the rest was just
talk patting him self on the back.

I hope you give the President
the same 2 1/2 hrs. and give the
same to Bob Dole. We will learn
a lot more then.

Believe me I really believe in Cspan
but if you just take time and
watch your tape see what I

Mean.

I am a 68yr Veteran of WW 2
I know, it hard to please everyone
but. this time it was just to much,

Braam

I hope you get to read
this letter be cause you do
such a good job

Sincerely Yours
