

Sept 1 - 1993

Dear Brian Lamb,

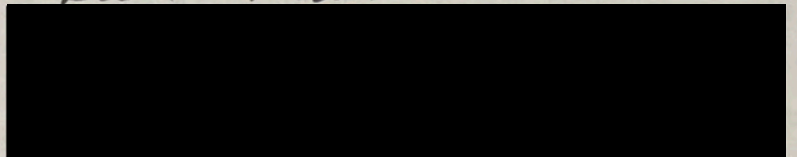

I want to thank you for putting on the excellent program you did of Perot's office art collection etc.

I taped it & am showing it to all my friends. It is being talked about through out our United We Stand America organization.

You do an excellent job on your call in C-Span shows etc.

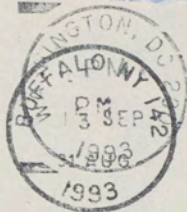

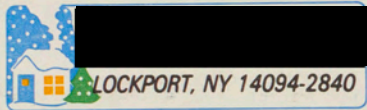

I hope your bosses know how your public likes you.

Best Wishes

Tockport - N.Y. 14094
