

22 August 1995

C-Span

As a long time viewer of C-Span, I'm very upset in the change you have instituted with respect to fairness in balancing the program with guests of both Liberal and Conservative viewpoints. Recently there has been an approximately 80% Liberal and 20% Conservative guest appearance on your AM roundtable show. Up until recently there was a more equitable balance.

I've been unable to get through on the phone but to factually illustrate the above mentioned claim on Monday 21 August you had 3 Left Wing Liberal Extremists who were completely unopposed by a Conservative view. The first guest was completely unopposed and sounded

like he was on the Clinton
payroll. The next 2 guests were
unopposed and the male guest
acknowledged he worked for Shriver,
was on the Carter team and worked
on the Clinton transition team. The
female guest proudly acknowledged
being a Kennedysite! Both Liberal
and Far Left.

Today, 22 August, your first guest
was also completely unopposed as he
spewed out his left wing propaganda.
The next two segments had equal
representatives in a Republican and
a Democrat in the first segment.
In the second segment there was
a Socialist and a Conservative.
The Socialist was a member of the
Labor Department who clearly stated
that it is the administration policy
to equalize the wealth across the
board and advocated redistribution
of the wealth which is the bedrock

of Socialism. He let the cat out of the bag by being specific about the Socialistic objectives of the Clinton Administration and there was no Conservative to elaborate the fact that Conservatives have maintained that the Liberal Left Wing Extremist have been attempting to redistribute the wealth ala Socialism for 40+ years.

What really irritated me was the young lady who was hosting the show abruptly and rudely cut off a lady caller who criticized the current one-sided approach you have taken even though she has consistently allowed left wing extremists to rant and rave without interrupting them.

There doesn't seem to me to be a dime's worth of difference between Clinton News Network (CNN), the major networks and C-Span in their one-

sided coverage of the news and
your pro-liberal stance.

If you want to promote
Liberalism that's fine with me
but don't try to con me that
you are not biased against
Conservatives or that you are
fair in your selection of guests.

Sincerely
