Hello!

I've recently stumbled upon your broadcast of "Channel 1" news from Moscow. FANTASTIC! I LOVE it! ASIDE from being very interesting, it's going to BE SO COOL to write my pen-pal in Russia that I WATCH the very same news she DOES EACH night! I also get the benefit of practicing my Russian translating when the CG's come up on the screen. MAN ALIVE, what a GREAT concept! THANKS, C-SPAN! THANKS, ALSO, for your regular GREAT programming!

Sincerely
