Dear Bryan -

I get up each
AM to get Washington
Journal.

One thing - Someone
needs to be informed
that Pres. Reagan did
serve in the Military.
In Wm Holdens
Biography there is
a picture of Jane
Wyman & Reagan with
Wm Holden & his
wife in Officers
uniforms
They trained for their ranks!

-2-
Wm Holden was the
first from Hollywood
to volunteer in the
beginning ^{in 40's} of the Japan
aid public service
in various ways -
movies, appearances,
etc. Holden was in
39 mos. after the war
ended. Volunteered early 40's.

Those inquiries should
be known to those
trying to compare
Clinton & the military.
Holden joined to fight
but the govt. chose him
for the reasons of many
services, around the
world. He & Regan were in
the battlefields & danger all
over the globe.

Another thing - Can't
you see the "Moderate"
line is used by
more Liberal callers?
Therefore, not a fair
procedure.

I've found your
Washington Journal
has departed from the
call-ins & directing
the public's viewpoints.

I've been saddened
at the blow of our legal
system by Clinton's getting
off and the Democrats' not
upholding their OATH to vote
their consciences. They are
now as bad as Clinton!
Pres. 21-12-91 "The Godly shall
I will watch! Watch your overcomer."
The wicked version "St. OVER 7"

P.S. I never ever have
been able to get in, yet.
the ignorant minorities
get through so English
you can't understand
and lots of voices
of the "Other Race"

The program
should have a respondent
present to correct the
blatant misstatements.

One woman recently kept
referring to "Pres. Kennedy
and said she'd vote next
time for him. Whus!

That rhetoric of "Just
a sex case" should have
been reported with the purpose
& obstruction acts - not what
was sex - in the Oval Office
of all things. One caller said
"nobody's business what he did
in his bedroom". Please have a
monitor or ignorance is being
spread by C-Span 1.
