Dear Mr. Lamb,

Your programs which
I see steadily and
always with much
anticipated interest,
are excellent.

I have watched
the Amer. Presidents
also - and I can't
commend you and
your production staff,
for the quality,
sufficiently, to
hopefully ^{see you} continuing
with your work for
a long time ahead.

Since I am an avid reader, I have a great admiration for writers and love a varied list of materials.

I do want to just choose one of your guests as another outstanding example ~~what~~ why C-Span Booknotes and you, work so well.

T.R. Reid was the guest and his book, "Confucius Lives With Don" made for a most fascinating hour. His book(s) will be my next priority.

Thank you, Mr. Lamb, Randen House, etc. for the most

enjoyable, educational, and
totally uplifting programs
on T.V.

Sincerely
