

I liked the radio show of
by Rush Limbaugh. Friday.

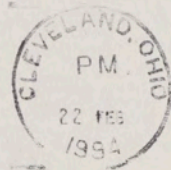

American profile of Altman
I turned the channel.

I have that little black box
that turns channels. The best item
they ever put on the little black box
was a button that says MUTE.
I use it often.

My neighbors are registered
Democrats. They have this thing that
when Clinton - Hillary - Altman &
Pavetta - De De Mykes - etc talk
we automatically turn the channel.
No dialog at all. That's why we
like that little black box that turns
channels and mutes.

I love call-in American
people are great!
