Dear C-Span —

York, Pa. was Right! — You
have changed drastically.
My entire life has changed
so very, very much that I
cannot even begin to tell
you! — C-Span used to be
my salvation — Like
a breath of fresh
air in the stagnant

air of most other
TV I used to
really feel extremely
informed. Now it is no
longer true — you have
changed and you don't seem
to want to admit it! —
WHAT has happened? —

I have such an empty
feeling inside that it's very
hard to describe it to you.

I miss the wonderful
classical music — and the
"LIVE" Road to the White
House — Not Repeats, Repeats,
Repeats!! — You are now so
much more like the other
stations — we don't enjoy
the Crossfire mentality!! —
Nor do we enjoy the
"Young People" you seem to
