LOCKMAN NAMED VICE PRESIDENT

WASHINGTON, D.C. -- Norwood, Pennsylvania native Brian Lockman, 33, has been named Vice President of Network Operations for the Washington-based C-SPAN cable network.

C-SPAN, the 24-hour public affairs cable network, recently created vice presidential positions; Mr. Lockman is one of two department heads to be elevated to the position of vice president.

Having previously held the title of Director of Production, Mr. Lockman as Vice President of Network Operations will evaluate capital purchases for production expansion and supervise quality control for network production.

Mr. Lockman, son of Norwood residents Felix and Louise Lockman, was awarded a Bachelor of Arts degree in 1974 from the Temple University School of Communications & Theater. He graduated from Interboro High School in 1970.

Currently, C-SPAN is seen in 25 million households via 2,300 cable system affiliates.
