NEWCASTER:

1. IT IS MY OPINION, THAT THE NEWS MEDIA AND THE NATIONAL BROADCASTERS, AND AS WELL AS S-PAN HAVE NOT GIVEN THE AMERICAN PEOPLE, THE TRUTH AND THE ISSUE HAVE BEEN CONCEALED, WHERE I WILL GIVE YOU THE FACTS AND THE TRUTH.

1. WE HAVE A DEMOCRATIC CONGRESS AND SENATE, THAT FAILED THE AMERICAN PEOPLE! WITH THEIR INEPTNESS, AND TOTAL FAILURE TO SERVE OUR NATION!

A. IT WAS NOT OUR PRESIDENT, THAT FAILED IT AGAIN I SAY A DEMOCRATIC CONGRESS AND SENATE, THAT DOES NOT HAVE RULES FOR THEIR CONDUCT. AND HAS BEEN RUNNING WITHOUT LIMITS AND BOUNDS!!

NOW LET ME GIVE YOU THE FACTS, WHERE IT IS A MATTER OF RECORD! I, DAMN THE PRESS, AND THE BROADCASTERS FOR THEIR FAILURE IN A PISSING CONTEST THAT THE SAME MEN IN THE CONGRESS, AND SENATE, ARE HESTITATED, AND CONSPIRACY OF DEMOCRATS THROUGHOUT OUR NATION,

And if I, were THE President, I would give the Supreme Court, an EXECUTIVE order to determine that our Fedrals would in fact cover their acts while in office cover the the conduct of the Failures of oath of office.

It appears to me that the Press the Broadcasters did not check the Records of the TRUTH and the morality and the Integrity of the Two Houses, the Congress and the Senate on the Democrats, under their oath of office, they failed to uphold oath of office, to support the Constitution, and use their authority against the President. one could call this susdistion.

(A.) Let us look at the INVESTIGATION and the Hearings on the Keedew Five! In the Hearings when they started most of the AMERICAN citizens, stated in advance that NOTHING would be done and they walked away free!

We know of a Senator from California, walked away from the Hearings with millions of dollars, where evidence was given on a Senator, from Michigan had his cup full with money in which he had denied receiving the money!

These Senators did state they went to meetings to exist. MR Keedew the sponsor of the S and L's; one one would be monetally ill, if that was NOT special interest.

At no time have I heard, what about the Congress and the Senate! are they telling the States of the Job they have done, you can bet your last dollar they did not say any thing.

Now let me tell you about the October surprise and when President Jimmy Carter, we the veterans of this nation, did our duty to God and our country, to wake up one day when our President a Democrat, that when he gave amnesty to people that burned their draft cards, and went to Canada! with a full pardon!

That was a minus for that President! as I have understood President Carter made a deal with the show of crew, when he did not deliver, but he did one better he had commissioned a task force, to rescue the hostages and it was a total failure!

2. The 2 Bandon Helicopters, Equipment and Classified documents when a C 130 recovered the members of the task force: they were almost all captured!

I had a friend that was a General he was the head of our selective service, then in Ohio he committed suicide.

Being a chief warrant officer, and a Deputy Sheriff I, had more than 100 people, that I had endorse to go on active duty and the Reserves, and the National Guard I gave some assistance to the High School ROTC and the College ROTC, when they were in our units and when they got their Degree, they were commissioned officers! The Reserve Component gave Grants to Reserve Enlisted men and women. and when they completed their Education they were given commissions.

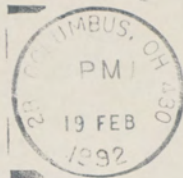

I do NOT concur WITH Governor CLINTON, Because He Could
Have Done WITH I Had People To Do Because it was the law

I give you this information in friendship this Election
is NOT Based ON Facts, it is an Election of BLIND AMBITION!
By EVIL men in our Government, and they should Be
Out out of office, the Democratic Congress, and Senate
are violating laws! where they should Be impeach!

In closing I watch some of your Columnist at
one of your Broadcast, where it is my opinion that
do not care about the matter of TRUTH, and are
not CONCERN TO Really Point out the truth to our
American Citizens, the matter of this Election is
Base with out facts, and the issues are in fact
distorted and a total failure of the Press!
