Dear Mr. Brian Lamb,

My name is [REDACTED] a student
from Lemoore High school and I'm
from Michoacan Mexico.

I was one of the students from Lemoore
High school that went on the Washington
DC Trip that took place on January
26 to 30th with the Close Up Foundation
for new Americans.

I'd like to tell you how exiting all
the trip was because I got to
know more about U.S. Government and
the White House.

I'm glad and very thankful because
I got to go to the White House
something that I didn't ever
think about.

So that I want to thank you
very much for the support of
you to the program "Close Up"

Sincerely
[REDACTED]
