Dear C-SPAN,

Thank-you for televising the Anti-NAFTA rally in Michigan. You did an excellent job. I would like to encourage C-SPAN to televise future anti-NAFTA rallies that I'm sure will be taking place around the country. I've read the actual NAFTA accord and Ross Perot is presenting NAFTA in truth. His book "Save Your Country, Save your Job" matches the accord to a tee! If you haven't read his new book and the NAFTA, get a copy and see for yourselves. Ross is right. Please do future shows on NAFTA, with Perot, Pat Chote, and Senator Riegle. The American people need to know how terrible this treaty is so they can fight against it. I refuse to vote or support any senator or congressman who supports the NAFTA treaty, no matter where they stand on other issues I may agree with! Thanx again C-SPAN!!!!
