Dear Brian Lamb:

Viewer

We are natives getting a terrific second education by watching C-SPAN hours each day. Mon. or Tue. of this week I saw a terrific presentation in the morning - The Senate Commerce Committee meeting featuring Senators Hollings, Dorgan and Exon - Sir James Goldsmith's presentation was so impressive I've been telling everyone I know about it. I hope it will be shown many, more times in the interim before the Hatt vote. Can I get a transcript or videotape of that meeting? Sincerely,
