Brian:-

It is time for my thank you
for the many things I can view
on C-Span and C-Span 2 !!

- 1- Congressional Hearings and
Congressional Sessions & debate
- 2- The Friday 8-9:30 session with
reporters and the Call-in
- 3- C-Span Bus (I'm awaiting
your show of the visit to
Hager Museum & Special
Drive in Fremont, Ohio. (I
drive by it at least once
a week.)
- 4- Booknotes and the 2 hour
5 year Anniversary was
most interesting. I am
a retired librarian and I
miss the trade periodicals
and their reviews of new
books. I Bought "In Our
Defense" on the Bill of Rights.
Other, I've gotten from the
library.

Today I saw your Booknotes
program with Lewis Puller, Jr.

My father was born 105
years ago today and I'm
sure he would have enjoyed
your 2 network channels
very much.

Thank you again - so much

Sincerely
