

8/23/93

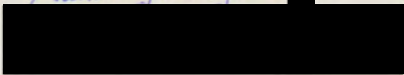

Dear Sirs,

Thank you so very much
for your complete & unbiased
talk with Ross Perot last Thurs
8/19/93 from 8.00 to 10.30 P.M.

My wife & I enjoy hearing his
Comments on trying to save our
country. Unfortunately our local
newspapers never give us advance
notice of his talks. Its only when
fishing around the dial, we accidentally
come across his talks & usually by
then we've missed a lot of what
was said.

Please keep up the good work
not only for our benefit but for
the whole nation as well

Thank You again
