Dear Brian Lamb,

Crossfire, the McLaughlin Group, and others or like ilk are, in my opinion portraying violence and abuse on television. I do not watch them. Nevertheless, I was mesmerized by Feder vs. Matthews on C-SPAN on Monday (3/22). What a well-matched twosome! Chris Matthews defended my position very ably.

Do y'all have a bumper or window sticker proclaiming, "I am a C-SPAN junkie"? And how about a directory of Think Tanks--the personnel changes often, but I'd be pleased just to have a listing of names, addresses, and purposes of the organizations, plus a word or two on funding.

Finally, thanks for Dr. Shapley on MCNAMARA on "Booknotes." That one I never miss; nor Journalists' Round Table (re-run on Sat.)

Cheers, [REDACTED]
