Dear Mr. Lamb:

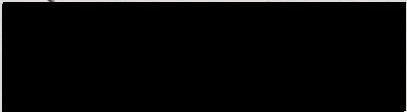

RE: Booknotes

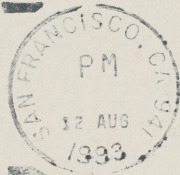

I want you to know that I enjoy your interviews with authors on Booknotes particularly.

You are an excellent interviewer, by far the best on any channel today. You are clearly able to elicit more information freely recounted than others I have seen. Lewis Lapham had an enjoyable show, but it is off the air now.

A couple of authors I have seen with you have been interviewed elsewhere soon before^{or} after, and they came off neither as engaging^{or} or their books as interesting as with you. Thank you for your work and C-Span.

Sincerely,

18
Mr. Brian Lamb
